

## NEWS OF THE OLD DOMINION.

## STATE PHARMACISTS.

State Association Meets at Chamberlain's Hotel, Old Point.

Hampton, Va., July 11.—The Pharmaceutical State Association convened in its second day's session in the dancing pavilion of the Chamberlain Hotel with about 100 members present. The reports of the various officers showed that the association has wonderfully prospered during the past year and is in better condition now than ever before.

C. B. Fleet, of Lynchburg, Va., who has been the State secretary from 1888 to 1911 began the principal work of the association. He spoke on the "Early History" of the association. He told what the association had done and how it had prospered in the last 32 years and declared that the drug men of the State of Virginia were becoming much better qualified for their work each year and that soon they would be second to none in this country.

Prof. A. Bolenbaugh of the chair of pharmacy of the State Medical College of Virginia at Richmond, spoke of the association work and the betterment of the educational standard and also touched on the narcotic law which was recently passed. He suggested many valuable hints to the members who were present.

H. S. Arrington, of Norfolk, Va., president of the State Board of Pharmacy, and T. Ramsey Taylor, also of Norfolk, made short addresses before the meeting. They discussed fully the laws recently passed to prohibit the sale of narcotics to infants and persons addicted to the drug habit.

The association offered a resolution elevating the educational standard for the practice of pharmacy in the State of Virginia, and in it set forth that every applicant must spend one year in a high school instead of being permitted to take up the study after passing through the grammar school.

Newport News, Va., July 11.—The Virginia Pharmaceutical Association, in thirty-second annual convention at Old Point yesterday, elected officers, selected Richmond as the meeting place for next year, changed the date of meeting from July to September, and adopted a resolution practically placing the druggists of the state on record as favoring state prohibition. The resolution touching on the State-wide question and enabling act was a strong one, and carried with it the decision of the pharmacists not to ask any special favors of the Virginia Legislature as regards the sale of whiskey and patent medicines containing alcohol in the event that Virginia becomes a dry state. The druggists declared that the restrictions on the sale of ardent spirits should be made severe as to prevent any intimation that the drug stores of the state would become barrooms in the event of the prohibition movement carrying.

The committee on nominations of officers presented its report, recommending the following, who were unanimously chosen: President, C. D. Owens, of Wytheville; vice president, H. D. Pettijohn, of Leesburg; second vice-president, J. F. Bauer, of Richmond; secretary, E. L. Brandis, of Richmond; treasurer, H. S. Eley, of Suffolk; local secretary, E. C. Toome, of Richmond; member of entertainment committee, C. A. Spencer, Jr., of Richmond; member executive committee, C. D. Fox, of Roanoke.

Candidates for appointment to the vacancy of the State Board of Pharmacy, T. A. Miller, Richmond; C. H. Lunsden, Lynchburg; W. T. Reeves, South Boston; J. T. Young, Roanoke; J. L. Hagan, Danville; trustees National Druggists' Home—T. A. Mann, Falls Church; T. Ramsey Taylor, Norfolk; J. F. Bauer, Richmond.

As the result of the conference between Viscount Chinda and Secretary of State Bryan yesterday, it was intimated that the Japanese situation had ceased to be a menace to friendly relations between Japan and the United States, and that it has resolved itself a technical and almost academic discussion of the points at issue.

## Virginians Sail for Europe.

New York, July 11.—A large party of Virginians from Richmond sailed yesterday on the Cunarder Ivernia for Mediterranean ports. They are Rev. R. G. McLees, Miss McLees, Miss A. Billups, Rev. C. E. Burt, Miss M. Douglas, Mrs. Frank Harlow, Mrs. E. C. Harlow, W. D. Horne, Miss B. Laing, Miss R. L. Major, Miss C. Moore, Miss Mary Morse, Miss S. Morse, W. J. Parrish, Jr., Rev. J. J. Taylor, Rev. J. J. Wicker, M. A. Thomas and Miss A. R. Storts.

## MAY ESCAPE CHAIR.

Harve Looney is Granted Another Trial.

Richmond, Va., July 11.—Harve Looney, the Craig county man who shot and killed the town sergeant at Newcastle some time ago, has been granted a new trial by the Supreme Court of Appeals. Looney is in the death row at the prison, having been sentenced to die in the electric chair. Several weeks have elapsed since the action of the court, and as yet no word has been received by the prison authorities, and until the papers are received the man will doubtless remain in the detention cell where he has had a chance to see those who "go through the door" to the chair. The general belief is that Looney is "looney." He has thrice made attempts to end his life. He killed the officer, while in a drunken debauch. He denies that he recalls anything in connection with the murder.

**Opposition to Judge Williams.**  
Lynchburg, Va., July 11.—An aftermath of the recent election of division school superintendent in Richmond, when Fletcher Campbell was defeated for re-election, for Amherst county, has cropped out in that county in the form of a petition to voters to support a candidate for Attorney-General other than Judge Samuel W. Williams, the incumbent, who is a member of the State Educational board, which elected the school officials. Judge Williams is charged with ignoring the petition of the voters of Elton district for the retention of Mr. Campbell, and now these petitioners are being urged to scratch Judge Williams in the August primary.

## Negro Uses Blackjack.

Petersburg, Va., July 11.—Petersburg police are looking for a negro who late Wednesday night assaulted with a blackjack J. Blackwell Jones, a prominent citizen of Blackstone, Va. Mr. Jones, who had been in Petersburg buying material for his new home, was on his way to the Norfolk and Western depot when assaulted. His nose and cheek were fractured by the blow. He continued on his way to Blackstone and is now laid up by his injuries at his home there. The motive for the assault is unknown.

## Child Killed by Car.

Norfolk, Va., July 11.—Christian Crider, two and a half year old son of Mr. and Mrs. E. A. Crider, Thirty-seventh street, Lamberts Point, died at the Protestant Hospital at 11:30 o'clock Wednesday night from concussion of the brain received by being struck by a car of the Atlantic Terminal Division of the Virginia Railway and Power Company.

The accident occurred on Killam avenue, near Thirty-seventh street. The child was picked up and rushed to the Protestant Hospital in a private automobile.

J. E. Holder, motorman, and W. H. Rayne, conductor of the car, gave themselves up at the Second precinct police station and were bailed to appear before Justice Barron on the charge of recklessly running a street car.

"I have determined never to return to the United States again. My home will be in Paris." This statement was made by Jack Johnson, negro pugilist, under sentence for trafficking in white women, who eluded the United States authorities and arrived yesterday at Havre, France, on the liner Corinthian.

## BAPTIST ENCAMPMENT.

Two Thousand Are Expected to Attend.

Norfolk, Va., July 11.—Last night the Virginia Baptist Summer Encampment opened its sixth annual session at Virginia Beach. During the five years of its organization this encampment has been constantly growing, and the past two years at Virginia Beach mark the most decided advancement since its organization. Ministers from all parts of the State and adjoining states, Sunday school teachers superintendents, Sunday school teachers and church workers assembled last night for the inaugural address which was delivered by Dr. Sparks W. Melton, pastor of the Freeman street Baptist Church. Dr. Melton was followed by Dr. Lincoln Hulley, of John B. Stetson University, De Land, Fla.

On account of the constant growth of the encampment the executive committee in 1911 realized the need raise the necessary funds and all the meetings had hitherto been held in a large tent. Accordingly, in the 1911 meeting a campaign was started to raise the necessary funds and all the churches represented at the encampment contributed liberally. The building was begun at once, and when the 1912 session met it was far enough toward completion to be used as an auditorium, although the floors and partitions had not been put in. As all the funds raised in 1911 were exhausted, a new campaign was started and as a result the main building stands completed for this session, although necessary additions will be made each year.

The enrollment last year reached about 1,500, the largest of any year previous and the management fully expects 2,000 delegates this year from the various churches interested in the movement. With the 1500 delegates last year the hotels and cottages were crowded, but arrangements have been made already to accommodate practically all of the 2,000 visitors expected.

## INSPECTS NAVY YARD.

House Committee Makes First Step on Tour Aboard Mayflower.

Norfolk, Va., July 11.—The naval affairs committee of the House of Representatives arrived here early yesterday on the yacht Mayflower and spent the entire day in an inspection of the Norfolk navy yard and the St. Helena naval training station. The committee was entertained at a Virginia seaside dinner at Cape Henry last night, and left early yesterday on the yacht Mayflower for Philadelphia.

The committee is on a tour of inspection of all naval establishments with the view to economy.

Lightning and wind caused several fatalities and great damage in various sections of Indiana, Wednesday, according to reports from the storm-swept section. At Westfield, Edwin Lindley Dean, graduate of Earlham College, and later a student of agriculture and literature at Cornell, was killed in a field near his home. Al Linton the young son of Martin Elliott was struck by a bolt and instantly killed. In Indianapolis Nelson Neal, thirty-five, was killed by lightning.

## The Truth About Electric Cooking

For large families where the average domestic help is employed and a large amount of cooking done, Electric Cooking will be found more expensive, and in most cases not advisable.

In small families, where no help is employed, and where nice equipment is desired, Electric cooking will be found many times more convenient, more certain in results and safer in operation—as well as reasonable in cost.

In every family a few utensils for early breakfast emergency and special uses—and for cheering up cold meals with a warm dish or two—is highly advisable from every standpoint, including that of economy.
